ABOUT US

OUR STORY

From a young little girl whose heart always went after the indigent around her hoping to cause a change in their life birthed this dream of influencing unknown lives.

As our impact grew, it expanded into a team of 11 professionals in different fields however with a common goal: IMPACT. Everyone is different so we constantly harness our God-given purposes by collaborating in influencing unknown lives.

Logistics/Media

Irewole Temitope
Head of Operations/Planning

Oladele Motunrayo
Social Media/Volunteer Engagement

Olorunyomi Oluwafemi
General Coordinator

FOOD DRIVE(1)

APRIL 16, 2022

The ministry started the year with a food drive project in the month of April for the indigent people living in the suburban areas of Ibadan. The group of people given food packs was: the elderly, widows, and single mothers.

About 400 packs were shared. 15 volunteers engaged with us during this project and it was indeed a very interesting moment with the locals as we were able to give out food to the hungry and share the hope that Jesus gives with them. Locations covered were Onidundun and Moniya.

Volunteers: 15

FOOD DRIVE(2)

AUGUST 27, 2022

The ministry continued the year with a food drive project in the month of August for the indigent people living in the suburban areas of Lagos. The group of people given food packs was: the elderly, widows, and single mothers.

About 100 packs were shared in all. Three volunteers engaged with us during this project and it was indeed an awesome time being able to give out food to the hungry and share the hope that Jesus gives with them. Locations covered were: Mushin and the environs

Volunteers: 3

SCHOOL IMPACT PROJECT

OCTOBER 7, 2022

Our school impact project this year was awesome. School bags were distributed to indigent students in public schools and people living in the suburban areas of Ogun State.

It was a great delight and joy to see children go back home with brand-new back packs. With the generous giving of our partners, we were able to replace worn school bags, and nylon bags and give them to those who didn't even have any at all(they carried their books in their hands).

Total School bags donated:100

Volunteers: 2

FOOD DRIVE(3)

DEC 17, 2022

The ministry ended the year with a food drive project in the month of December for the indigent people living in the suburban areas of Ogun State. The group of people given food packs was: the elderly, widows, and single mothers.

Volunteers engaged with us during this project in packing, sorting, and distributing food items and it was indeed an awesome time being able to give out food to the hungry and share the hope that Jesus gives with them.

Locations covered were: Robiyan

Total food packs distributed: 300 pack

Appreciation

Phew! What an impact-filled year! We don't take for granted God's help and assistance this year. It was all shades of God's support despite the massive inflation of food costs; we were able to reach out to the needy.

We are thankful to the esteemed members of this group who tirelessly contribute their time, resources, and effort to make things happen.

We gratefully appreciate our financial friends and partners who have made this work through their constant giving.

We don't take for granted our invaluable volunteers who lightened our burdens this year through their unwavering support.

We also appreciate our media followers and well-wishers encouraging us to do more.

**Thank you! A dupe! Merci! Dalu! Gracias! Nagode
Cheers to more impact in 2023!**
